Message from President Jeni:

At the Democratic Party Headquarters with fellow Democrats, I watched the farewell address of Barack Obama, 44th President of the United States. It was a very touching event for all of us as he outlined his accomplishments in the last eight years and encouraged us to continue to be engaged in civic life, working for the "fair, just, inclusive America" that we believe in.

I hope that you will join us on January 19th for our regular meeting. It will be inauguration eve and we will benefit from being together as we face the new reality. For those of you who are not going to Washington for the Women's March or to some of the events in Oakland or Sacramento, there will be an "Organizing for a Better Future" demonstration here in Fresno on January 21. More information will be available at the club meeting.

Finally, I want to thank everyone who took part in the ADEM elections on Saturday, January 7, and congratulate the delegates who were elected, including several of our club members.

Don Larson at a Previous Meeting

What Should We Expect From The Trump Presidency

Veteran educator and political analyst Don Larson will speak at our January meeting. He will explore the details of what the likely picture of Donald Trump in the White House will entail. We have been fortunate to have Mr. Larson address our club in the past on various topics and look forward to seeing him again this month.
